

Applications We Know & Understand

| | |
|--|--|
| Aggregate Quarrying | Liquid Level Controls |
| Air Compressors | Medium Voltage Starter Lineups To 15kV |
| Air Cooled Heat Exchangers | Metering / Relay Designs For Industry |
| Alternating & Duplexing Pump Stations | Metric Flame Proof Motors |
| Auto Body Processing | Metric Motors & Controls |
| Blowers, Variable & Constant Torque | Motor Control Centers |
| Building HVAC Systems | Municipal Sewage Systems |
| Burner & Flare Controls | Municipal Water Systems |
| Commercial Car Washes | Oilfield Progressive Cavity Pumps |
| Centrifugal Casting Equipment | Oilfield Pump Jacks |
| Centrifugal Pump Installations | Oilfield Submersible Pumps |
| Conveyor Systems | Operator Consoles, Customized |
| Cooling Towers | Pipeline Metering Pumps |
| Corrosive Environments | Plastics, Blown Film |
| Distribution Centers | Plastics, Extrusion Equipment |
| Explosion Proof Motors & Controls | Power Factor Correction & Improvement |
| Flow Control | Rural Water Systems |
| Food Machinery | Sand Plants |
| Gas Compressors | Single To Three Phase Conversion |
| Grain Bin Systems | Sub Stations, Double Ended |
| Gypsum Processing | Swimming Pool Controls, Custom |
| Harmonic Mitigation | Variable Frequency Drives Installations |
| Industrial Progressive Cavity Pumps | Vacuum Controls |
| Irrigation System Controllers | Washdown Applications |

Let Our Experience Work For You

Serving Industry & The Oilfield Since 1982
